

## The Total Solution for Credit Card Processing

Mobilescape provides mobile merchants with a total end-to-end payment processing solution for credit cards that includes:

- Hardware and software
- Credit card processing
- Wireless service
- Secure transactions
- 24 x 7 x 365 customer support

*Mobilescape helped save critical time in our payment process by letting our Carside To Go™ specialists handle credit card payments at the vehicle, eliminating unnecessary trips into the restaurant. The Mobilescape team was completely responsive to Applebee's requirements, helping us to craft the right wireless payment processing solution for our business.*

**Mike Czinege, CIO**  
**Applebee's International, Inc.**

## The Solution

The total wireless payment processing solution for credit cards—all from one company.

The Mobilescape 3000 provides a complete credit card payment processing solution for retailers, restaurant wait staff, delivery services, home repair services, and direct sales personnel—anyone who collects payments “on the go.” The affordable Mobilescape solution includes hardware, software, integration services, wireless services, payment processing, and unbeatable support and maintenance.

Mobilescape delivers immediate value to your business by increasing revenues and operational efficiency and by decreasing risk and costs.

### Mobilescape 3000 Key Features

- Signature capture
- Embedded printer
- Touch-screen LCD
- Secure, encrypted communications
- Wireless connection
- Paperless receipt archival
- Online account access

## The Benefits

### Increase Revenues

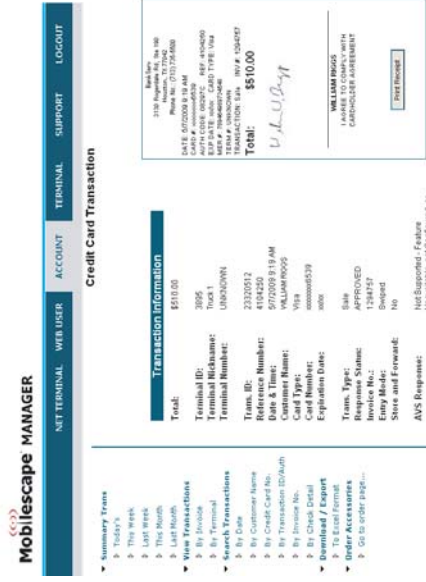

- Spend less time approving credit cards and more time making customer visits and developing new business
- Lower processing fees with card-present transactions
- Customers tend to spend more when paying by credit card
- Improve cash flow by collecting funds faster

### Reduce Risks with Secure, Paperless Transactions

- Capture valid signatures on Mobilescape’s touch screen
- Print customer receipts on the spot

### Improve Operational Efficiency

- Get authorizations in seconds
- Eliminate paper receipt management with immediate online account access
- Electronically track tips and invoice numbers

Mobilescape Manager makes transactions instantly available online!

## The Mobilescape Advantage

### Power Up and Start Processing Payments

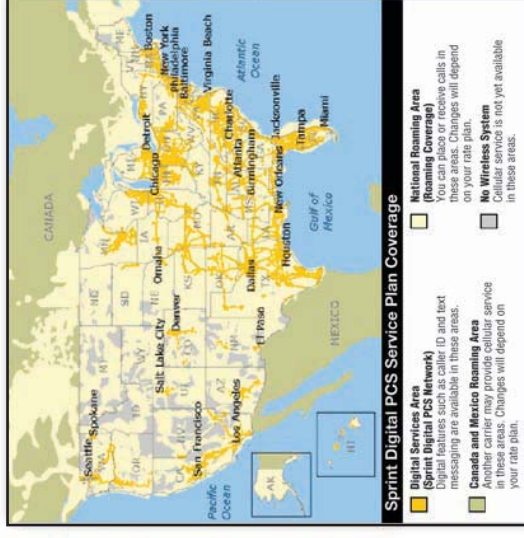

Mobilescape is easy to use and doesn’t require formal training—just power up and swipe.

### Instant Online Account Access

Immediate online access eliminates lost credit card imprints, reduces the number of charge backs and makes funds available faster.

### Nationwide, Wireless Network

Our partnership with Sprint Nextel puts you on the highly reliable PCS wireless network.

### Depend on 24 x 7 x 365 Support

Mobilescape users count on our support team to be there 24 x 7 x 365 to answer questions and resolve issues.

### Next-Day Replacement

With our optional maintenance program, we’ll ship a replacement by the next business day if your Mobilescape goes down.
